### Admissions Policy

#### Statement of intent

It is our intention to make our setting accessible to children and families from all sections of the local community.

#### Aim

We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

#### Methods

In order to achieve this aim, we operate the following admissions procedure:

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible via our website, handbooks and registration packs.
- We welcome everyone with parental responsibilities including; fathers, mothers, other relations and carers.
- Our setting and its practices acknowledge the individual needs of each child and their family. We take into consideration the child and their family's gender, special educational needs, disabilities, social background, religion and ethnicity.
- We welcome all children with English as their second language.

- We make our Equality, Inclusion and Valuing Diversity policy known.
- We liaise with families about the opening times of the setting to ensure we accommodate a broad range of family needs.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.
